Self motivated and hard working computer science graduate looking to pursue a career in the software engineering field and want to prove my skill and utilize my knowledge and intelligence in the growth of the organization.

SUMMARY

- Final-year Bvoc Software Development student with a strong foundation in software development.
- Proficient in programming languages such as C, C++ and Java.
- Skilled in web development, with experience in HTML, CSS, Javascript and Bootstrap.
- Well-versed in database management systems, including MySQL.
- Certified in Android Application Development and Bootstrap 5.
- Adept at adapting to new technologies and methodologies, with a passion for continuous learning.

EDUCATION

- **Bachelor of Vocational Studies in Software Development** from BBK DAV College for Women, Amritsar, India.	2021 – 2024(On Going)
- **12th (Commerce)** with 85% from Alexandra School, Amritsar, India.	2020 – 2021
- **10th** with 77.4% from Alexandra School, Amritsar, India.	2018 – 2019

PROJECT

Static Website Development

- Created a static website, showcasing proficiency in HTML, CSS, and JavaScript.
- Demonstrated excellent attention to detail and creativity in web development.

Dynamic Website Development

- Developed a comprehensive text tool website as a culmination of my final semester project, showcasing proficiency in web development technologies.
- Incorporated advanced features such as text to speech, text to pdf, text to QR, word cloud, sentiment analysis, linguistic analysis, language convertor and detector, spelling checker, text summarization, pdf to audio etc.
- Leveraged HTML, CSS, JavaScript, and Bootstrap to craft an intuitive frontend interface.
- Engineered the backend functionalities using Python and Django, enabling robust data processing, storage, and retrieval mechanisms for efficient data management.

HONED SKILLS

Soft Skills:
- Time management
- Teamwork
- Leadership
- Planning
- Communication

Hard Skills:
- Programming Languages: C, Java, C++, Python, PHP
- Database: MySQL

- Tools: Android Studio, Visual Studio Code
- Testing Tools: Selenium, Bugzilla
- Web Development: HTML, CSS, JavaScript, Bootstrap

CERTIFICATIONS

- **Android Application Developmen**t (Issued by Great Learning)
- **Bootstrap 5** (Issued by Mind Luster)

ACHIEVMENTS

- Secured first place in subjects like software engineering methodologies and open source software.
- Secured first place for consecutive 2 semesters in merit list of GNDU.

INTERESTS

- Drawing
- Sports
- Listening to Music
